

Directory of World War II Veterans of the South Peace Region

South Peace 
REGIONAL ARCHIVES

Introduction

The following table was compiled by volunteers of South Peace Regional Archives from various sources, including archival records and secondary sources such as newspapers and community history books. It contains the names of soldiers who signed up from the south Peace River Country, or returned after World War II to claim land under the Veterans Land Act.

The list is organized in alphabetical order by last name and provides first and last names of veterans, nicknames and maiden names if applicable, and if or when they were killed in action. Only veterans of the South Peace Region are included (the area covered by the City of Grande Prairie, County of Grande Prairie, Municipal District of Greenview, Municipal District of Spirit River, Birch Hills County and Saddle Hills County).

Additional information about the soldiers listed is available. Please contact the Archives (780-830-5105 or spra@telus.net) for more details. This is not an exhaustive list and may contain errors or omissions. Please notify the Archives of any corrections that are needed.
