#### PRESIDENT'S REPORT SPRA Annual General Meeting March 30th 2019

#### 1. Board of Directors

I'd like to begin by recognizing our Directors, elected at our annual AGM, who give up their time to support the Archives and, through their direction, keep the Archives functioning well. The 2018 board includes the following elected members: Gail Prette (treasurer), Duff Crerar (secretary), Tina Dale, Dennis Dale, Eleanor Whitling Gary Dixon, Grace Wideman, Daryl White, Elizabeth Sande, Bryan Woronuk, Walter Andreeff, and Doug Frattini.

In addition to our elected Directors, each funding partner sends a representative to sit as a Director on the Board. Their insight and advice means so much to the functioning of the board and the Archives itself. They are Wade Pilat, who represents the City of Grande Prairie; Peter Harris, the County of Grande Prairie; Stan Bzowy, Municipal District of Spirit River, and the new representative from the Municipal District of Greenview, Shaun Acton, who replaces Dale Gervais.

Thank you all for your dedication to SPRA.

Bryan Woronuk, Walter Andreeff, Dennis Dale, Elizabeth Sande, and Doug Frattini will not be seeking re-election due to other commitments. I thank them for their contributions and wish them well.

#### 2. Funding Partners

Our day to day operations would come to a grinding halt if not for our funding partners: City of Grande Prairie, County of Grande Prairie, Municipal District of Greenview, and Municipal District of Spirit River. Because of their dedication to preserving the archival history of the South Peace, they organize their yearly budgets to find the funds necessary for the South Peace Regional Archives to operate and fulfill its mission. This year the Archives will enjoy an increase in overall funding thanks to our funding partners. We're growing! And with that comes the need for more resources and staff and volunteer time. I'd like to thank all our funding partners for their generosity.

#### 3. Friends of the Archives

As always, I would also like to thank the Friends for their work raising awareness and capital funds for the Archives. Unfortunately, currently, the Friends are in hiatus. The group was always relatively small and due to life's challenges many of them could not give their time. We wish them well, and we know they will continue to be staunch advocates for all that we do.

#### 4, Future Directions

Last year I wrote: "Our increased engagement with the community through our Awareness Activities has led to many new acquisitions and to the growth in the activities and projects initiated by our staff in response to the communities we serve." The staff and volunteers have continued that engagement in 2018.

We have a wonderful staff and group of volunteers. Thank you Alyssa, Josephine, Theresa, and all our volunteers.

I also suggested last year that this wonderful growth also means that we will soon have to seriously consider our future needs. It is a year later and that future is one year closer. The need for more space is becoming even more critical and the desire for additional staff and more volunteers to continue our growth is even stronger.

I ask that all of you to give your support and, when you can, join us as we work to continue to give excellent service to everyone in the South Peace and as we strive to become the best regional archives in Alberta.

Jan Shields

### 2018 Executive Report

Presented by Alyssa Currie 30 March 2019

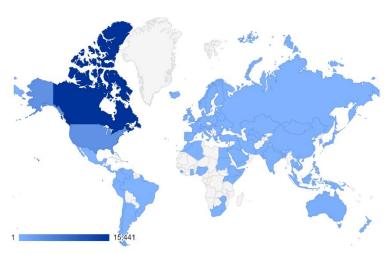

#### Our Successes

Last year, our staff and volunteers organized or participated in 42 different events and programs, connecting with approximately 1,400 people at these events. Our Indigenous History Committee continued their work towards Reconciliation, including commemorating National Aboriginal History Month with a new exhibit, public lecture at the Grande Prairie Public Library, and a special issue of *Telling Our Stories*. We also hosted our first summer student in recent years, Sonya, funded with critical support from Young Canada Works. In March, we expanded our offsite storage into a new location, allowing us to relocate 105 meters of unprocessed records, as well as non-archival materials and technology, for better storage and more efficient access. This move came three short weeks before a potentially disastrous event.

In April 2018, high water levels in the Bear Creek reservoir and potential flash flooding downstream prompted the evacuation of Muskoseepi Park, including the South Peace Regional Archives. Luckily, the Archives did not experience any damage and this incident served as a trial of our emergency response plan. Archives staff enacted a priority-based response and temporary relocation. The Archives new off-site office served as a safe, alternate location for work and materials until the evacuation order was lifted. Since then, we have continued to develop the Archives emergency response plan, including an evacuation checklist and incident report. This incident, and the Archives response, was highlighted in the March 2019 issue of Telling Our Stories magazine

#### **Our Impact**

The Archives local and global reach continues to rise. Last year, our staff and volunteers organized or participated in forty-one different events and programs, connecting with approximately 1,400 people at these events. This represents a dramatic increase over past years. In 2018, Archives' volunteers contributed 1425 hours of service. Our social media presence grew; 767 people 'like' us on Facebook and we have developed a new partnership with the Grande Prairie Regional Tourism

Association. Over 22,000 people visited our website from 112 countries across the world.

Above: Website Users by Country of Origin January – December 2018, Generated 3 Jan2019 via Google Analytics

#### 2018 Accessions

We received 78 new accessions in 2018. Although the volume of textual donations is down from last year, the total number of donations, books added to the library, and number of non-textual materials (except photographs) increased. Last year, we received approximately 12.5 of textual records, 2191 photographs, 64 books, and over 500 assorted items including maps, postcards, and paintings, as well as short news video recordings from Eastlink. To address our growing storage needs, we ordered additional archival shelves for the offsite location.

#### Our Volunteers

In 2018, 18 volunteers contributed 1,436 hours of service. We could not accomplish what we do without the help of these dedicated workers. Their support facilitates initiatives such as the online Soldiers Memorial, reference library, personal and family reference files, Indigenous records research, and digitisation. They also assist with our numerous events and programs.

#### **Events and Programs**

Last year, our staff and volunteers organized or participated in 42 different events and programs, connecting with approximately 1,400 people at these events. This represents a dramatic increase over past years. Some of our new initiatives include:

#### Archives Week Opening Reception

The Archives hosted an opening reception to celebrate the launch of our Archives Week exhibit in the Community Room. The exhibit, "Entertaining Alberta", features both photographs and interpretive panels from the collection. Reception attendees included board members, volunteers, representatives from our funding municipalities, society members, and other special guests.

#### Heritage Village Folktales Tour

The Archives collaborated with the Grande Prairie Museum to host the first annual "Heritage Village Folktales Tour." Guests enjoyed the Heritage Village afterhours while taking part in an atmospheric, guided tour. Tours featured historical tales with interwoven elements of fact and fiction. After the tour, they enjoyed beverages and desserts in the warmth of the Community Room.

#### Elf on the Shelf

We 'adopted' an Elf on the Shelf, Fred Fonds, who helped us with a new social media campaign during the month of December. Each morning, we shared a new picture of our Elf to our Facebook page, highlighting his naughty and nice adventures around the Archives.

#### **Get Involved**

The Archives continued success relies on its dedicated volunteers and supporters. If you are interested in supporting the Archives, there are many ways to get involved. Consider joining one of our three Committees: the Awareness Committee, Indigenous History Committee, or the newly revitalised Building Planning Committee. You can also support our collection by donating your used newspapers to the Archives for the reference files. We are seeking the Daily Herald Tribune, Town & Country News, Central Peace Signal, and Valleyview Town & Country.

#### TREASURER'S REPORT

#### SOUTH PEACE REGIONAL ARCHIVES ANNUAL GENERAL MEETING March 30, 2019

Balance Sheet: As at December 31, 2018 we had:

\$21,785.35 in our ATB Chequing account; \$47,307.46 in our Contingency Account; \$126,493.87 in our Reserve Building Account; \$1,000.00 in our Reserve Mastercard Account and \$200.00 in Petty Cash.

We also show an Account Receivable of \$503.68. This is the GST Public Service Bodies rebate due to us after yearend adjustments were made.

There is prepaid expenses of \$5,273.11 representing monies paid for facility insurance that carries over until 2019; January 2019 Rented storage; 2019 Web site hosting; and our Rental security deposit. The undeposited funds of \$1,997.27 is the 2018 Young Canada Works Grant that we received January, 2019.

Our Total current assets to December 31, 2018 was \$204,560.74.

#### Liabilities:

Account 2100 Peace Country Land Database of \$15,916.00 are funds that we are holding for the Peace Country Land Database Project, led by Dr. David Leonard.

Account 2600 - Deferred Revenue is 2019 Memberships that we received in 2018.

#### Profit and Loss Statement

In order to protect our unprocessed information donations and to add additional storage space we had to change rental storage locations. Our offsite storage costs went from \$2,238.60 to \$12,612.78 – an increase in cost of \$10,374.18, plus relocation expenses of \$1,344.60. Neither of these expenses were in our original 2018 projected budget.

In 2015 the City of Grande Prairie Culture and Heritage Manager verbally agreed to waive shared operations costs for the SPRA's portion of this building. In 2018 the City administration reinstated these shared operating costs, totaling \$9,128.64 above budget. This appears as "utilities and maintenance" within the budget. As a result of these items the Board of Directors passed an amended Budget for 2018 and we approached our funding partners who graciously provided us with supplemental funding to cover these unexpected costs.

We experienced a net loss of \$2,616.52; we did not experience as large a loss as we had originally anticipated because of several factors. First, due to unreliable cash flow, we did not hire an Archives Technician for the remainder of 2018 (September – December). We were in receipt of a Young Canada Works Grant (\$7,989.17) that allowed us to increase one staff position during May – August. We also received a donation from the Edson Trail History Society (\$2,500) and our photograph sales increased by almost \$1,000, due to three large-scale orders.

**2018 budget report.** This report has explanations under "Notes" as to why there is a variance between the projected budget and the actual income or expense.
