

Terms and Definitions

Term	Definition
<b>Part I</b>	
tea pail	like a billycan which is a lightweight cooking pot in the form of a metal bucket commonly used for boiling water, making tea/coffee or cooking over a campfire
saw swage	In sawmills, a <b>swage</b> is used to flare large bandsaw or circle saw teeth, which increases the width of the cut, called the kerf.
saw pit	the pit in which the lower of two men working a pit saw stands.
pit saw	a large saw with handles at each end, used in a vertical position by two people, one standing above the timber to be cut, the other in a pit below it.
gauntlet	a stout glove with a long loose wrist
Cwt	Hundred-weight or one hundred pounds
teamster	Originally the term "teamster" referred to a person who drove a team, usually of oxen, horses, or mules, pulling a wagon
cs	case
10133/35 – 102 Avenue	Original plan of subdivision was 1410AC (Registered Oct 1910); addresses noted in "Transcriber Comment" taken from current City of GP database which may reflect multiple lots

<b>Part II</b>	
Cr. (Credit)	payments for services and goods received were recorded on the right-hand page under the titles "Contra" and "Cr"
FB (Forward Booking)	the process of entering into a contract to lock in a specific price for a future date
CB (Carry Back)	a loss sustained or a portion of a credit not used in a given period
Gilling Twine	a large coarse twine made of hemp used to make nets to catch fish such as salmon
Pony Hat	???
Cretonne	a heavy cotton fabric or linen cloth, typically with a floral pattern printed on one or both sides, used for upholstery and curtains
Snaith	The name "Snaith" derives from the Old Scandinavian word sneith, meaning "Piece of land cut off".
Snath	The long, wooden shaft the scythe blade attaches to.
Bodkin	A dagger or stiletto; a sharp slender instrument for making holes in cloth; a blunt needle with a large eye for drawing tape or ribbon through a loop or hem
