Re: Tea Held in conjunction with Festival III – April 24th 25th & 26th

We made 58.84.

Suggestions regarding tea if held next year.

Since we had the major portion of the crowd the first day & very few in the afternoons thereafter, that is Thursday & Friday, I would like to suggest that we might confine our tea to the first day and perhaps serve only coffee in the evening, especially if there will be a function open to the public, which would naturally have a large crowd concentration.

We found that trying to serve “tea” as such, to the intermission crowd of the ballet review for only 15 minutes, was next to impossible.

Also for this type of a crowd it might be more profitable to charge instead of having a silver collection.

Letters of appreciation to be sent to the I.G.A and staff Parks and Recreation Dept, and Swan Beverages for their help and donations for Mother and Daughter banquet.

Mrs. Corry announced at this time that Mrs. Dagnenais had been given her warrant.
