Re. Tea Held in conjunction with Festival III - April 24th 25th & 26th

Sale made $8.84.

Suggestions regarding tea if held next year

Since we had the major portion of the crowd the first day I may few in the afternoon thereafter, that is Thursday & Friday. I would like to suggest that we might confine our tea to the first day and perhaps serve only coffee in the evening, especially if there must be a function open to the public, which would naturally have a large crowd concentration.

We found that trying to serve "tea" as such, to the intermission crowd of the ballet recital for only 15 minutes was next to impossible.

Also for this type of crowd it might ~~Erase~~ be more profitable to charge instead of having a silver collection

toward expenses to be given from C.W.L.

10% of the money taken in at Festival 3 was given to the Arts & Crafts bldg. fund, instead of 5%. Sum of $5.85.

Secretarys report was read and adopted. Treasurers report was given. We have a balance of $411.92
